

Grey Box (Skit)

Ja Rule

Yeah, yeah, hold up, hold up, hold up.

What the fuck do you want before I open up this grey box?Nigga, you know what I want.

I want that X.Yeah, but what kind you want?

You want the white booties, you want the green Nikes, you want the Calvin Klein's, you want the Versace's?

You know I got it all, please believe that.

You, how high you wanna fly?
