

Night Lights

[Gerry Mulligan](#)

Night lights, those blues in the night lights
Are no longer bright lights since I'm without you
Sweet dreams, oh, where did they fly to?
You're gone and who can I cry to?
Oh, those night lights remind me of bright eyes
And beautiful white lies, too good to be true
As I go on my way, with all my heart, I pray
That those night lights will lead me to you
Those night lights remind me of bright eyes
And beautiful white lies, too good to be true
As I go on my way, with all my heart, I pray
That those night lights will lead me to you
