Shiny Toy Guns

E-V-A-Y
I'll see, I'll see her
See nothing
Fall E-V-A-Y
Oh, to ride So now follow these lights
Cause soon you'll be steering through the trees
When everything pulls apart
Beneath the street
Whoa, you're letting go So, today your miracle
Is starting out to be something
Stay like a miracle
You're always gonna be something
Even in your shoes Telephone lines
Are streaming in silence
From your machines
Still looking for the broken link
In history
Oh your letting go So wherever you go
Wherever you go (wherever you go)
I want to go (I want to go)
Wherever you go (wherever you go) Today your miracle
Is starting out to be
Something
Stay like a miracle
Your always gonna be
Something
Even in your shoes
Even in your shoes Wherever you go
I want to go
Wherever you go Wherever you go
Wherever you go
I want to go Wherever you go
Wherever you go
I want to go
