## **Stop This Game**

## **Cheap Trick**

Well, I can't stop the music I could stop it before Now I don't want to hear it Don't wanna hear it no more, no more I can't stop the music I could stop it before Now I don't wanna hear it Don't wanna hear it no more All I wanna do is stop this game It's gonna really end Stop this game It's such a touchy, touchy thing Hey, livin' with you Is all I wanted before I've changed, you didn't Don't wanna see you no more And all I wanna do is stop this game It's gonna really end Oh, stop this game It's such a touchy, touchy thing Well, we were walkin' before we could crawl And you were lovin' just emotion just all It's just emotion wasn't music at all Now I can't stop the music Now I don't wanna hear it no more No more, no more, no no more

Stop this game
It's gonna really end
Stop this game
It's such a touchy, touchy thing
Well, I can't stop the music
(Stop this game)
I could stop it before
(It's gonna really end)
Now I don't wanna hear it
(Stop this game)
Don't wanna hear it no more
(It's such a touchy, touchy thing)
