

Starstruck

Sterling Knight

Oh oh, yeah
Oh oh, yeah
Oh oh, yeah
Oh oh Every girl, every boy
They got your posters on their wall, yeah
Photographs, autographs
The minute you step out the door you will meet the applause Paparazzi's hiding in the bushes trying to make a
dollar
Wanna be you
When they see you, they scream out loud Starstruck, camera flashes, cover of magazines
Starstruck, designer sunglasses, living the dream as a teen
Driving fancy cars, Hollywood Boulevard
Hear the crowd calling your name, yeah Starstruck, prepare to get
Starstruck, oh yeah My whole life, lookin' fly, perfect smiles
On the way to the limousines, yeah
Everywhere first in line, VIP
Hanging out with celebrities, yeah And all the pretty girls, they wanna date ya
Trying to make you holler
Wanna be you
When they see you, they scream out loud Starstruck, camera flashes, cover of magazines
Starstruck, designer sunglasses, living the dream as a teen
Driving fancy cars, Hollywood Boulevard
Hear the crowd calling your name, yeah Starstruck, prepare to get
Starstruck, oh right
Oh oh, yeah
Oh oh, starstruck
Oh oh, yeah As soon as you move, they gonna talk about it
In the pick of the news, they gonna talk about it
'Cause you're on the A-list, you better believe it
You better believe it, yeah Whatever you do
(Whatever you do)
Doesn't matter if it's true, 'cause you're on the top five
And nothing can stop ya, and nothing can stop ya! Starstruck, camera flashes, cover of magazines
Starstruck, designer sunglasses, living the dream as a teen
Driving fancy cars, Hollywood Boulevard
Hear the crowd calling your name, yeah Starstruck, camera flashes, cover of magazines
Starstruck, designer sunglasses, living the dream as a teen
Driving fancy cars, Hollywood Boulevard
Hear the crowd calling your name, yeah Starstruck, prepare to get

Starstruck, oh yeah
