ALTâ€“J

We can't lose touch but we can let go, blue and white gun made from Lego.
All the vowels vow to hold your name, keep your estate clean of me.
I've pillowed you so many times this week
Close eyes, open, close again, forget and fall asleep.
The dark seeks dark
The dark seeks dark
Ooooooooh darker
Ooooooooh darker
The nights of all my youth pressed into one glass of water.
Scattered truths, bewildered beast boohoos, we have our weight: ten thousand ladybirds. All the vowels vow to guard your name, keep your estate clean, happy.
Some things lie too deep for tears to well
Close eyes open, close again, feel as my body spells
Dark seeks dark
Dark seeks dark
Ooooooooh darker
Ooooooooh darker
The shadow burns across like embers tide paper.
Darker, darker, darker, darker.
