

TEMPTED (33Hz Remix)

Duran Duran

You been a risin'
Feel the flow
You requiring a little bit more
To excite
You will go
Gettin' busy
On the floor All about the way ya move it
When you really got to prove it
Finally, you will know
What it is you're turnin' on That it's going to tempt you
Oh yeah
Like you know it's meant to
Oh yeah
Devil gonna tempt you
Oh yeah
How much do you want to
Oh, oh Get back to London
Comin' undone
When you ride the underground
Some misguidance
Breakin' silence
Got your body started now And you love the way you're moving
When you really got to prove it
Finally It's what you do
What it is you're turning on That it's going to tempt you
Oh yeah
Like you know it's meant to
Oh yeah
Devil gonna tempt you
Oh yeah
How much do you want to
Oh, oh That is going to tempt you
Oh yeah
Like you know it's meant to
Oh yeah
Devil gonna tempt you
Oh yeah
Devil gonna tempt you
Oh yeah If you want to know

Oh yeah
Do you want to know
Oh yeah
What it is you're turning on
What it is you're turning on If you want to know
What it is you're turning on
Do you want to know
What it is you're turning on
