

Try

Pink

Ever wonder about what he's doing
How it all turned to lies
Sometimes I think that it's better
to never ask why
Where there is desire
There is gonna be a flame
Where there is a flame
Someone's bound to get burned
But just because it burns
Doesn't mean you're gonna die
You gotta get up and try and try and try
You gotta get up and try and try and try
You gotta get up and try and try and try
oh,oh,oh
Funny how the heart can be deceiving
More than just a couple times
Why do we fall in love so easy
Even when it's not right
Where there is desire
There is gonna be a flame
Where there is a flame
Someone's bound to get burned
But just because it burns

Doesn't mean you're gonna die
You gotta get up and try and try and try
You gotta get up and try and try and try
You gotta get up and try and try and try
Ever worried that it might be ruined
And does it make you wanna cry?
When you're out there doing what you're doing
Are you just getting by?
Tell me are you just getting by by by
Where there is desire
There is gonna be a flame
Where there is a flame
Someone's bound to get burned
But just because it burns
Doesn't mean you're gonna die

You gotta get up and try try try
You gotta get up and try and try and try
You gotta get up and try and try and try
You gotta get up and try and try and try
You gotta get up and try and try and try
You gotta get up and try and try and try
You gotta get up and try and try and try
You gotta get up and try and try and try
You gotta get up and try and try and try
