Oceans Deep

Noonie Bao

I left my concious in the middle of the sea
No more thinking of my beach
Your storm was coming and it washed all over me
I left my heart in the oceans deep
In the oceans deep
In the oceans deep
In the oceans deepEvery little thing in my head
Says we should lay down in my ocean bed
And take it off
Breaking every rule that we said
Forever laying down in my ocean bedI wanna rise up and pull you down
And hold you close to me baby til' we start to drown
And if the waves come, don't make a sound (Shhh)
Every little thing in my head
Says we should lay down in my ocean bed
And take it off
Breaking every rule that we said
Forever laying down in my ocean bedWe left our secrets in the middle of the sea
A hidden treasure in the reeves
Heard you screaming, no you didn't wanna leave
You stayed all night in the oceans deep
In the oceans deep
In the oceans deep
In the oceans deepEvery little thing in my head
Says we should lay down in my ocean bed
And take it off
Breaking every rule that we said
Forever laying down in my ocean bed
There are no other fish in the sea
I am the one, you're the one for me
And we go deeper and deeper until
Spinning around, just like a water wheel
Make me feel itEvery little thing in my head
Says we should lay down in my ocean bed
And take it off
Breaking every rule that we said
Forever laying down in my ocean bed
Every little thing in my head
Says we should lay down in my ocean bed

And take it off
Breaking every rule that we said
Forever laying down in my ocean bed
