Pay Me No Mind

Jeff Beck

Now my train is never on time
I'm a come in the dead stake time
I'm the shame that the sun don't shine
Somebody don't pay me no mindDon't understand it
Don't understand it
Don't' understand it
Don't understand it
Don'tI'm the pain when it hurts sometimes
And the mountain just can't hide
Tell a guy she never could find
Somebody don't pay me no mind yeahDon't understand it
Don't understand it
Don't' understand it
Don't understand it
Don'tOh and the scratch on your LP's mine
Don't understand it
Don't understand it
In the stolen shoes
Don't understand it
Don't
Don't understand it
Don't
Don't understand it
Don'tNow my train is never on time
I'm a come in the dead stake time
I'm the shame that the sun don't shine
Somebody don't pay me no mindDon't understand it
Don't understand it
Don't' understand it
Don't understand it
Don'tI'm the pain when it hurts sometimes
And the mountain just can't hide
Tell a guy she never could find
Somebody don't pay me no mind yeahUnderstand it
Don't
Understand it
Don't
Understand it
Don't

Understand it
Don't
Understand it
Don't
Understand it
Don't
Understand it
Don't
Understand it
Don't
