

# Lay It Down

Troy Sneed

I believe that God is gonna work a miracle in your life by the end of this  
Song.

No matter what situation you find yourself in right now,  
just know that all you have to do right now is just leave it  
with King Jesus my brothers and my sisters.

Choir

All of your problems, all of your pain, lay it down, lay it down.  
All of your heartache, all guilt and shame, lay it down, lay it down.  
Cast your cares upon him, he'll hear your call, lay it down, lay it down.  
Promise he will never leave you, nor forsaken friends indeed, lay it down,  
Lay it down.

Lead: Oh Christ

Choir: Ooooh oh oh oh, ooooh, oh, oh oh, lay it down, lay it down.  
Ooooh oh oh oh, ooooh, oh, oh oh, lay it down, lay it down.
