

# The Bottom Line

## Depeche Mode

Like a cat dragged in from the rain  
Who goes straight back out  
To do it all over again  
I'll be back for more  
It's something that is out of our hands  
Something we will never understand  
It's a hidden law, the apple falls  
Destiny calls, I follow you  
Like a pawn on the eternal board  
Who's never quite sure  
What he's moved towards  
I walk blindly on  
And Heaven is in front of me  
Your Heaven beckons me enticingly  
When I arrive it's gone, the river flows  
The wise man knows, I follow you  
I'm yearning, I'm burning  
I feel love's wheels turning  
Like a moth on love's bright light  
I will get burned each and every night  
I'm dying to, the sun will shine  
The bottom line, I follow you  
I'm yearning, I'm burning  
I feel love's wheels turning  
Like a moth on love's bright light  
I will get burned each and every night  
I'm dying to, the sun will shine  
The bottom line, I follow you  
The sun will shine  
The bottom line, I follow you  
The sun will shine  
The bottom line, I follow you  
The sun will shine  
The bottom line, I follow you
