Early in the morningOoh, ooh, I got a thing for you too
Ooh, ooh, I got a thing for you too
Think about you
Early in the morning, early in the morning
Early in the morning, early in the morning
Like early in the morning, early in the morning (Ooh, ooh)
Early in the morning, early in the morning
Like ooh, ooh
I got a thing for youSaid I've been thinking bout you, what we gon' do boy?
And you knowing the situation
My body anticipating
Layin' here, all up in this bed
With these thoughts all up in my head
Got yo hands all on my waist
And I wanna make you say yo name
You said you got a thing for me
Then show me
And if I like it baby watch the things that I could show youEarly in the morning
I'mma have you moanin'
Tryin' to fit it on you
Early in the morningOoh, ooh
I got a thing for you too
Ooh, ooh
I got a thing for you too
(I got a thing for you too)Ooh, ooh, I got a thing for you too
Ooh, ooh, I got a thing for you too
Ooh, ooh, I got a thing for you too
Think about you
Early in the morning, early in the morning
Early in the morning, early in the morning
Like early in the morning, early in the morning (Ooh, ooh)

Shawty what's the hold up?
Drop in here, we roll up

Twisted, never sober
We be up on that smoke, on that drink
We be up
She gon' ride to the end
We be up
Getting to this money and it won't stop
Sleepin' with chains, with the gold watchOoh, ooh, I got a thing for you too
Ooh, ooh, I got a thing for you too
Ooh, ooh, I got a thing for you too
Ooh, ooh, I got a thing for you too
Think about you
Early in the morning, early in the morning
Early in the morning, early in the morning
Like early in the morning, early in the morning (Ooh, ooh)
Early in the morning, early in the morning
Like ooh, ooh,
I got a thing for you
