

Your Conviction Is Sweet

Lakefield

One more time /
So many years; I can't take another /
We'll be fine /
Over and over still expecting things to change /
Come with me /
Your conviction is sweet, but I can't see forward /
Soon you'll see /

Hold my hand /
But it slips; get a grip; you're sinking /
till the end /
Can't keep your head above water anymore /

Here we go /
You're on your own from this moment onward /
One more show /
It's not the end if you start it up again /
Still in sight /
Don't give up before the end of the song /
Felt so right /
So close to landing in the place where you belong
