

Cry for Me

The California Honeydrops

(Don't want no-one to cry for me)

(Don't want no-one to cry for me)

[Chorus A]

Oh, when my time is come

Oh, when my race is run

Oh, when my sun is sinking low

I'll be sad to go, but I've lived long enough to know

I don't want no-one to cry for me.

[Chorus B]

Oh, when they carry me out

Oh, when they lay me down

Oh, when they bury me 'neath the ground,

I want my people in the streets

All doin' that second-line beat

And I don't want no-one to cry for me.

[Chorus A]

[Instrumental]

[Chorus A]

[Chorus B]

(And I don't want no-one to cry for me)

{repeat x8}
