

Never Alone

Stitched Up Heart

When the waves start crashin' in
And your heart is black as sin
When you feel the water rise and you're
About to drownCan't take all the pressure
Gasping for a breath
Your thrashing arms begin to tire
Don't close your eyes
We'll make it out aliveYou're not alone
Never alone
It's pouring tonight
But it won't rain forever
I've been there before
Fought through the storm
I'm here, you'll never be alone
I'm here, you'll never be aloneLosing strength to fight the waves
Starting to asphyxiate
Fingertips outstretched hoping to get
A grip on something safeCan't take all the pressure
Gasping for a breath
And now you're slipping into shock
Don't close your eyes
We'll make it out aliveYou're not alone
Never alone
It's pouring tonight
But it won't rain forever
I've been there before
Fought through the storm
I'm here, you'll never be alone
I'm here, you'll never be aloneI'll be your shelter from the storm
Give it one more day
Things are gonna change
It's not the end of the world
It's not the end of the worldCan't take all the pressure
Gasping for a breath
Your thrashing arms begin to tire
Can't take all the pressure
Gasping for a breath
And now you're slipping
And I'm grabbing a hold

I won't let go
Taking control You're not alone
Never alone
It's pouring tonight
But it won't rain forever
I've been there before
Fought through the storm
I'm here, you'll never be alone
I'm here, you'll never be alone
