

My Dreaming Hill

Flying Saucer Attack

Peace of tide, my heart and my mind are shining through the light

We still surrender for this spark

Echoes wave but we shadow then, that's cause for

We still surrender for this spark So baby tiger, so where I can come home

I walk around still on my dreaming hill, my dreaming hill, we're dreaming still She can (?) but this one we
taught dream to

While it apart from me

(?) which my heart wish to grow, to grow behind (?)

While it apart from me

So baby tiger, so where I can come home

I walk around still on my dreaming hill, my dreaming hill, we're dreaming still
