

Thrashin'

George Clinton

Molested
Protested
Arrested
And the missile business booms
On all the Earth emispheres
The USA Pentagon
The White House
Ordered the troops
"Take no prisoners, show no mercy"
Thrashin'
Mashin'
Cashin' on the groove
Take no prisoners, show no mercy
Short range deployment
It promotes
Long range unenjoyment
Take no prisoners, show no mercy
And the missile business booms
On all the Earth emispheres
Thrashin'
Mashin'
Never gonna blow a groove
Take cover in the groove
We'll be thrashin' on you
BOOM SHAKE LA KA LA KA BOOM BOOM
SHAKE LA KA LA KA BOOM BOOM BOOM
Thrashin'
Mashin'
Cashin' on the groove
Take no prisoners, show no mercy
Short range deployment
Oh yes, it promotes
Long range unenjoyment
Take no prisoners, show no mercy
We'll be thrashin' on you
Thrash, thrash, thrash
Thrash, thrash, thrash
We'll be thrashin' on you
Take no prisoners, show no mercy

And the missile business booms
On all the Earth emispheres
Take no prisoners, show no mercy
We'll be thrashin' on you
Molested
Invested
Protested
Ingested
Arrested

And the missile business has boomed
On all the Earth emispheres
Short range deployment
It promotes
Long range unenjoyment
Take no prisoners, show no mercy
Oh, no!
Thrashin'
Mashin'

Cashin' on the groove
Never gonna blow a groove
And the missile business booms
On all the Earth emispheres
Say "Boom!"
Boom!
Cashin' on the groove
Never gonna blow a groove
Take cover in the groove
There's no business
Like Blow business
Like Bomb business
Like BOOM!
