## Man or Animal

## **Audioslave**

You give me a heart attack You look like the summertime

You call me an artifact

But I'll save that for another timeI could be rich or poor I don't need anymoreKeep your love inside the kitchen

You can feed me anything

Leave the feathers on the chicken

Peel the leather from your skinI could be young or old

Sweet or sad, hot or coldMan or animal, I don't care at all

Find the antidote underneath the dose

Man or animal, obedient, out of controlI will love you more than money

I will breathe you in the smoke

I will drink you in my honey

Sweet and golden down my throatWhen you're right, when you're wrong

Head is near, eyes are gone You can drown my appetite

I will sip your tears at night

You can tie me to a chair

Skin and bones, I don't careI could be rich or poor

I don't need anymoreMan or animal, I don't care at all

Find the antidote underneath the dose

Man or animal, obedient, out of controlMan or animal, I don't care at all

Find the antidote underneath the dose

Man or animal, obedient, out of controlMan or animal, I don't care at all

Find the antidote underneath the dose

Man or animal, obedient, out of control, out of controlYou give me a heart attack

You give me a heart attack

I will give you more than that

I will give you more than that You give me a heart attack

You give me a heart attack

I will give you more than that

I will give you more than that
