

Go That Far

Bret Michaels Band

Ah, ah, ah, ah, ah, ah
Said, ah, ah, ah, ah, ah, ah Please let me introduce myself
I'm gonna get you off like there's no one else
Hey, won't you step inside my brain?
I'm your freak show baby, I'm your crazy train Sunset Boulevard, Hollywood Hills
Pretty kitties back in black
And I'm dressed to kill I'll be your sugar daddy
I'll be your diamond rings
You'll be my dirty secret
You'll be my sexy thing I'll take you platinum baby
I'll be your rock star
I'll get you higher baby
If you wanna go that far Hey, I'll show you things you've never seen
Touch my backstage pass, ride my limousine
Please let me be your flesh and blood
Your dirty secret, your rock of love Sunset Boulevard, Hollywood Hills
Pretty kitties back in black
And I'm dressed to kill I'll be your sugar daddy
I'll be your diamond rings
You'll be my dirty secret
You'll be my sexy thing I'll take you platinum baby
I'll be your rock star
I'll get you higher baby
If you wanna go that far Ah, ah, ah, ah, ah, ah, ah, ah Now you're filled with rope
You're goin' VIP
You're flyin' private baby
L.A. to NYC You like my fancy crib
You dig that big black car
Wear them designer clothes
Hangin' with movie stars I'll be your sugar daddy
I'll be your diamond rings
You'll be my dirty secret
You'll be my sexy thing I'll take you platinum baby
I'll be your rock star
I'll get you higher baby
If you wanna go that far
