

# Feels so Right

## Alabama

Whisper to me softly  
Three words upon my skin  
No one's near and listenin'  
So please don't say goodbye Just hold me close and love me  
Press your lips to mine  
Mmm, feels so right, feels so right Lying here beside you  
I hear the echoes of your sighs  
Promise me you'll stay with me  
And keep me warm tonight So hold me close and love me  
Give my heart a smile  
Mmm, feels so right, feels so right Your body feels so gentle  
And my passion rises high  
You're lovin' me so easy  
Your wish is my command Just hold me close and love me  
Tell me it won't end  
Mmm, feels so right, feels so right, feels so right Aww, you feel so right, baby
