# Asphyxiate With Fear

## Therion

The amazon
Is attacked
Jungles killed
Support no air
Coca Cola
Burns the woods
And plants fruit trees
To serve you drinksMultinational corporations
That's what It's all about
To making money and feed their ass
That is the reason whySuffercation
We all dieBurn the woods
And kill the airMutilation
Of the air
Devastation
And despairGod
Don't
Let
Us
DieMcDonalds
Feed their cows
With out children's
LivesTen years past
All are dead
Trees are gone
And so all life
