

Show Me the Way

Ambassadors of Christ Choir

who can show me the way
lord i want to get home
tired and wonderer
far from home i know
and lord sometimes
i've been astrayed
now i want to get home

chorus
show me the way(show me the way)
holy spirit show me the way
i want to get home
show me the way to my father
i want to be there
free and last
am tired i want to be where i belong
