Glamour Boy

John Miles

He really does shine
For the ladies with painted faces
He spends his time being seen
In all the right placesYou only get to know him nearly
There can't be anyone who knows him, really
He's doing so well
And there's no-one to tell you but, glamour boyHe could have been the singer
In a rock 'n' roll band
If only, he's got everything it takes to make itBut he's lonely, he's really, an unsung hero
But if money came from having an ego
He'd get to the top
And the dream would have to stop for glamour boyIt doesn't do, to worry
Feel a little sorry for glamour boy
Spending all his money, really isn't funny for glamour boy
Everybody knows it, no-one ever shows it for glamour boyLiving in a world of make believe
And reaching for the sky
When all the people that you meet
Are chances passing byAnd friends, don't seem to mean a lot
Anyway, they're always there
Don't take too long to realise
You're not going anywhere, you're not going anywhere
