

Keep It Going

Camryn

Phones blowin' up with SOS
Another party in distress
Way below zero
Let's take this show on the road
Turn this night into gold
It's time to play to hero We bring the party, so throw your hands up
We bring the party, so let me see you move
We bring the party, so throw your hands up
Get on the dance floor, g-g-get on the dance floor We keep it goin', keep
Keep it goin' let the beat drop
Taken it, take
Taken it straight to the top
We're never gonna stop (2x) no
We keep it going, we keep it go-go-going We keep it goin', keep
Keep it goin' let the beat drop
Taken it, take
Taken it straight to the top
We're never gonna stop (2x) no
We keep it going, we keep it go-go-going DJ spinning nat king cole, flipped it to LMFAO
Now push the music louder
Yeah, this party is where it's at
Let's keep it goin' and not look back
Don't let it go under We bring the party, so throw your hands up
We bring the party, so let me see you move
We bring the party, so throw your hands up
Get on the dance floor, g-g-get on the dance floor We keep it goin', keep
Keep it goin' let the beat drop
Taken it, take
Taken it straight to the top
We're never gonna stop (2x) no
We keep it going, we keep it go-go-going We keep it goin', keep
Keep it goin' let the beat drop
Taken it, take
Taken it straight to the top
We're never gonna stop (2x) no
We keep it going, we keep it go-go-going We keep it rockin', we keep it pop-pop-poppin'
We keep it going 'til the neighbors come knockin'
We keep it rockin', no sign of stopping
We keep it going, we keep it go-go-going We keep it goin', keep

Keep it goin' let the beat drop
Taken it, take
Taken it straight to the top
We're never gonna stop (2x) no
We keep it going, we keep it go-go-going We keep it goin', keep
Keep it goin' let the beat drop
Taken it, take
Taken it straight to the top
We're never gonna stop (2x) no
We keep it going, we keep it go-go-going
