Run Run Run

Frida Gold

Started in a second
and I let it all out
One for you to dream
and all in for the crowd
Time for me to breathForever means forever
there's no way to get out
Some are made to hush
Wir sind fÃ¼r immer zu laut
From young
to wild
to free
We gonna try
til we fly
We gonna run
run
run
We gonna run
run
run
From the dark
to the light
We gonna run
run
run
We gonna run
run
run
Girls gotta wave
and it's shaking you up
Racing uphill
til we hit the top
Love just likes to breathWe gonna run into the ocean
Cut the skies wide open
You and I
never coming undoneWe gonna try
til we fly
We gonna run
run
run

We gonna run
run
run
From the dark
to the light
We gonna run
run
run
We gonna run
run
runNothing's gonna hold us down
when we start to fly
Stars in your eyes
I see stars in your eyes
Nothing's gonna hold us down
We gonna rule the sky
We're larger than time
We're larger than timeWe'r gonna try
til we fly
We gonna run
run
run
We gonna run
run
run
From the dark
to the light
We gonna run
run
run
We gonna run
run
run
Nothing's gonna hold us down
when we start to fly
Stars in your eyes
I see stars in your eyes
Nothing's gonna hold us down
We gonna rule the sky
We're larger than time
We're larger than time
