Change Is Now

Le'Andria Johnson

I dont know your story
Or all the things you've been through
I stand here to encourage you
To tell you is nothing
You just hold on your change is now
Everything you've been through
Was only to test you
So i stand here to encourage you
To tell you is nothing
You just hold on your change is nowYour change is now
Your change is now
Your change is now
Your change is now
Your change is now
Your change is nowYou just hold on your change is now
Your change is now
Your change is now
Your change is now
Your change is now
Your change is now
Your change is now
You just hold on
You just hold on
Your change is now
