Delaney

Pussycat

delaney
delaney
everyday she wakes up
to the crunch of the guitar
as she brushes her teeth
she sings along to the beat of her heart
when she imagines her name in lights it gives her such a rush
as she belts out a song
into her hair brush
oooooooh she knows
oooooooh she's got a long way to go
delaney
delaney
wants to be a rock star
she knows she's gonna go far
hey hey delaney keep the faith
i know one day you'll be a rock star!
you'll be a rock star
she's always writing songs
some people laugh
and some just sing along
they tell her she's crazy
but she knows that she can make it anyway
oooooooh she believes
she's gonna get her dreams
delaney
delaney
wants to be a rock star
she knows she's gonna go far
hey hey delaney keep the faith
i know one day you'll be a rock star!
even though its hard
she's never gonna stop
she's gonna be a star
she's gonna be a star
she's gonna be a star
one day she's not at school
people wonder where she's gone
until they turn the radio on

and hear
delaney
delaney
singing like a rock star
she always knew that she would go far
hey hey delaney kept the faith
and now today she is a rock star!
she always knew that she would go far
hey hey delaney kept the faith
and now today
she is a rock star
she is a rock star
she is a rock star
