So Good To Be In Love

Patty Loveless

Well, it's been a long time since I thought about a man
I never think about maybe givin' him a hand
I don't have to think twice when it comes to you
I only have to ask once for me to say I do
Baby, baby, you're my world
Present to live here for this here girl
You hung the moon and the stars above
Baby, baby, so good to be in love
Well, you make it so easy, you take a second chance
Open up my heart and gamble on romance
I want to be there, every night and every day
When I think about you, I get carried away
Baby, baby, you're my world
Present to live for this here girl
You hung the moon and the stars above
Baby, baby, so good to be in love
Oh baby, baby, you're my world
Present to live for this here girl
You hung the moon and the stars above
Baby, baby, so good to be in love, so good to be in love
