

Guess Who's Back

Reggie and the Full Effect

I gotta tell a story On the way to big daddy's
She's telling us that she's the best smelling
(Reggie)

In North Alabama they had a contest
And she was rated the best smelling in North Alabama
(Reggie) And that she was a good mother but she loved to smoke crack
But she was a good mother, what wh
I love to smoke crack and I love The Full Effect
But she was the best smelling in North Alabama
(Reggie) Yeah
Alright
