

# Don't Get Mad

## Soulja Boy

Don't get mad 'cause the kids like me  
Don't get mad 'cause the kids like me  
Don't get mad 'cause the kids like me  
Don't get mad 'cause the kids like me  
D-d-don't get mad 'cause the kids like me  
Don't get mad 'cause the kids like me  
Don't get mad 'cause the kids like me  
Don't get mad 'cause the kids like me  
D-d-don't get mad 'cause the kids like me  
Don't get mad 'cause the kids like me  
Don't get mad 'cause the kids like me  
Don't get mad 'cause the kids like me  
D-d-don't get mad 'cause the kids like me  
Don't get mad 'cause the kids like me  
Don't get mad 'cause the kids like me  
Don't get mad 'cause the kids like me  
Everybody know I get the kids yellin?  
Don't get mad 'cause the kids like Soulja Boy tell 'em  
And they parents they can't see it, they blind  
They wonder why they kids talkin' 'bout Soulja Boy all the time  
They can't understand they ways  
They wonder why they son and they daughter  
Got they name on they shades  
Or why they only wear bathin' apes  
Or why they sit at their computers watchin' Soulja Boy all day  
If you don't get it, it's a movement  
I ain't sayin' that you stupid, you just need improvement  
They said the records ain't sellin' no more  
Just 'cause everybody on the internet hittin' download  
Now it's my turn to hit it  
If you don't get it by the end of this song you won't get it  
Real talk I spit it  
I got the kids on lock and it's just the beginnin', let's go  
Don't get mad 'cause the kids like me  
Don't get mad 'cause the kids like me  
Don't get mad 'cause the kids like me  
Don't get mad 'cause the kids like me  
D-d-don't get mad 'cause the kids like me  
Don't get mad 'cause the kids like me

Don't get mad 'cause the kids like me  
Don't get mad 'cause the kids like me  
What you mad for, what you hatin' for?  
Soulja Boy tell 'em what the street's been waitin' for

Now I'm signed and it's goin' down  
Takin' over radio, TV, everything's mine  
Ain't gonna bite my tongue for nobody  
If you book me for a show, I'mma crank up the whole party  
While you're listenin' to this song, ease your mind  
If you don't get what I'm sayin' press rewind  
Now, right now I'm 16  
But when you hear this song I'mma be 17 and runnin' things  
Superman, I started that  
But the biggest form of flattery is just a lot of copycats  
It's all good 'cause I'm on deck  
It's amazing what I did with a mic in the internet  
New rappers everyday worldwide  
No deal just the fans, and the fans stayed on my side  
D-d-don't get mad 'cause the kids like me  
Don't get mad 'cause the kids like me  
Don't get mad 'cause the kids like me  
Don't get mad 'cause the kids like me  
D-d-don't get mad 'cause the kids like me  
Don't get mad 'cause the kids like me  
Don't get mad 'cause the kids like me  
Don't get mad 'cause the kids like me  
I'm the kids favorite rapper, do that dance snapper  
If anyone else can do it, I can do it better  
Got the grown folk scratchin' they head, they say, 'What's goin' on?  
What's so special about Soulja Boy, man, what's goin' on??  
This all I gotta say in my rap  
When it spreads to the grown folks, man, it's a wrap  
If you hatin' better pump your brakes  
Don't get mad 'cause the kids fans and they watchin' my face  
We love you, Soulja Boy  
We love you, Soulja Boy  
We love you, Soulja Boy  
We love you, Soulja Boy  
Soulja Boy my favorite rapper  
No, he my favorite rapper  
No, my favorite rapper  
Don't get mad 'cause the kids like me  
Don't get mad 'cause the kids like me  
Don't get mad 'cause the kids like me

Don't get mad 'cause the kids like me  
D-d-don't get mad 'cause the kids like me
