1st Verse:
everyday i wake up,
i smoke a blunt.
sess chronic or kush,
i really dont giva fuck
as long as she gets me high,
then im alright.
im lovin the way she makes me feel inside,
my love for you i cant hide.
i love the affection,
you got me hypnotized what a perfect connection.
the weed i'll inhale i smoke,
aint no joke i love to toke.
she makes me float when i choke.
mary jane, you take away the pain.
i even got your portrait tatted on my skin with your name.
i love the way you taste,
you got me feeling amazed. every time that i blaze,
orange kush and purple haze.
got me high for days, girl I just love your ways.
i always hit up the connect every time i get paid.
24/7 this girl takes me to heaven
she gots my back and stays loyal, in every direction.

Mary jane is my bitch, I hit it all the Time.
In the morning, afternoon, and the evening.
shit even in the night.
and every time I dont have her I go crazy,
cause Mary is my lady.
shes that only one girl in the whole wide world,
Baby is so tasty.

Verse 2:

everything all i need is all on that hit.
love the way that she look,

dont ever wanna leave ya girl cause without you i die.
you been there through the ups, and the downs of my life.
when everything was at its worst, you made it alright.
you never complained, made it through the suffering pain.
never wanted no one else, cause your the one that I crave
and every time i wanna hit, she never says no.
lets me in the back door so i can, hit it slow.
i even let the homies hit, but never see you as a hoe
