

# Making Good Love (Remix ft Bone Thugs-N-Harmony)

## Avant

I got your legs spread all over the bed  
Hands clenched in the sheets  
Hair wild as hell I know  
The only thing on your mind is sexin' me  
Girl I can feel your temperature rising  
You should feel my nature too  
Come on you should its gonna be a bumpy ride  
Girl lets do what we came to do Girl when we make love all night  
When we make good love all night  
When we make love all night  
We really make love  
Girl when we make love all night  
When we make good love all night  
When we make love all night  
We really make love (come to daddy baby) On the balcony gripping the rails  
Slowly I'm pulling you near  
Sayin' shh babe don't make to much noise  
There's a lot of peoples who live around here  
Emotions running high  
My hands planted on your thighs  
You feel me going up and down  
And round and round and round And girl when we make love all night  
I mean we make good love all night  
When we make love all night  
We really make love  
Girl when we make love all night  
When we make good love all night  
When we make love all night  
We really make love (come to daddy baby) Girl your drive wait in the back seat  
Windows tinted its getting deep  
Fog all over the glass  
I don't know how long I can last  
With you moaning crazy  
Girl keep on calling me  
I'll take you to ecstasy  
And when I'm done you'll be fast asleep Girl when we make love all night  
When we make good love all night  
When we make love all night  
We really make love

Girl when we make love all night  
When we make good love all night  
When we make love all night  
We really make love (come to daddy baby)The house the boat and the jeep babe  
In the tub in the pool or the beach babe  
Get your groove on (get your groove on) get your groove onThe house the boat and the jeep babe  
In the tub in the pool or the beach babe  
Get your groove on (get your groove on) get your groove onGirl when we make love all night  
When we make good love all night  
When we make love all night  
We really make love  
Girl when we make love all night  
When we make good love all night  
When we make love all night  
We really make love (come to daddy baby)Girl I love it when we're on the floor  
Girl I love it when we're on the couch  
Yes I love it when we're in the kitchen
