Brothers Keeper

Channel Zero

selfish ideas and failure
of learning from the past
there's a wreck of frustration
behind that smiling face of minethese are the nails in my burning coffin
they are reminders of my youths suffering
im not a man of god but i'm on my kneesi should have never lived this truth
these pills dont work any more
these pills dont work any more
these are the nails in my burning coffin
they are reminders of my youths suffering
im not a man of god but i'm on my kneesthese are the nails of my burning coffin
they are reminders of my youths suffering
im not a man of god but i'm on my knees
