

Mr. Fake Believe

[Millencolin](#)

I've got a friend who will always let me pretend
I am better than what I am, some kind of own personal scam
And we got a bond based on an addiction that goes beyond
Anything I felt before, there's nothing really else here to care for
I change personality when we're together, now
it's clear

You make me forget about my problems and all my fears
Oh, I've got a friend and on him I do depend
I'd guess he's my best one now that most of all the others are gone
It's crazy how far this has gone still I just
can't stop right now

I'm too busy focusing on popping the tops tonight
They call him Mr. Fake Believe, oh yeah
He's the kind of friend that never wants to leave, oh yeah
A tragedy, condition and disease, oh yeah
He's got tricks about denial up his sleeve, oh yeah
That's why they call him Mr. Fake Believe
The more we're together the closer we get it's true, we do
The first thing I think of when I wake up in shame is you (It's you)

It's you

It's you

They call him Mr. Fake Believe, oh yeah
He's the kind of friend that never wants to leave, oh yeah
A tragedy, condition and disease, oh yeah
He's got tricks about denial up his sleeve, oh yeah
That's why they call him Mr. Fake Believe
A condition and disease
Mr. Fake believe

He's got tricks up his sleeve
