

Say a Little Prayer

Lianne La Havas

Here it goes...[Verse 1]
The moment I wake up
Before I put on my makeup
I say a little prayer for you
While combing my hair now
And wondering what dress to wear now
I say a little prayer for you[Chorus]
Forever and ever, you'll stay in my heart
And I will love you
Forever and ever, we never will part
Oh, how I love you
Together, together, that's how it must be
To live without you
Would only mean heartbreak for me

[Verse 2]
I run for the bus, dear
And while riding I think of us, dear
I say a little prayer for you
At work I just take time
And all through my coffee break time
I say a little prayer for you[Chorus]
Forever and ever, you'll stay in my heart
And I will love you
Forever and ever, we never will part
Oh, how I'll love you
Together, together, that's how it must be
To live without you
Would only mean heartbreak for me

[Bridge]
My darling, believe me
Let's try that again, you do the backing vocals and
My darling, believe me
(Believe me)
For me there is no one but you
Please love me too
I'm in love with you
Answer my prayers now, baby, yeah
Say you love me too
Answer my prayers now, baby, ooh[Chorus]

Forever and ever, you'll stay in my heart
And I will love you
Forever and ever, we never will part
Oh, how I'll love you
Together, together, that's how it must be
To live without you
Would only mean heartbreak for me Thank you so much!
