

Fade and Then Return (Acoustic Version)

[William Fitzsimmons](#)

I've been locked out for twenty years or so
What is this age on me now
If memory serves then I should recognize
This staring glassMy legs so frail like I haven't stood in years
This gait so wrong
I crawl towards you, familiar I would swear
Though name escapes me nowFade and then return
Fade and then returnLike baby's breath I'm holding on to air
My lung's a thief
Should I know you? A stranger though you seem
You feel like home
