

# California King Bed (DJ Chus & Abel Ramos Club)

## Rihanna

Chest to chest, nose to nose  
Palm to palm, we were always just that close  
Wrist to wrist, toe to toe  
Lips that felt just like the inside of a rose  
So how come when I reach out my finger  
It feels like more than distance between us?  
In this California king bed  
We're ten thousand miles apart  
I've been California wishing on these stars  
For your heart on me, my California king  
Eye to eye, cheek to cheek  
Side by side, you were sleeping next to me  
Arm in arm, dusk to dawn with the curtains drawn  
And a little last night on these sheets  
So how come when I reach out my fingers  
It seems like more than distance between us?  
In this California king bed  
We're ten thousand miles apart  
I've been California wishing on these stars  
For your heart on me, my California king  
Just when I felt like giving up on us  
You turned around and gave me one last touch  
That made everything feel better  
And even then my eyes got wetter  
So confused wanna ask you if you love me  
But I don't wanna seem so weak  
Maybe I've been California dreaming  
In this California king bed  
We're ten thousand miles apart  
California wishing on these stars  
For your heart on me, my California king  
My California king  
My California king  
In this California king bed  
We're ten thousand miles apart  
I've been California wishing on these stars  
For your heart on me, my California king
