

# Electric Feel (Justice Remix)

MGMT

All along the western front  
People line up to receive  
She got the current in her hand  
Just shock you like you won't believe  
Sun in the amazon  
With the voltage running through her skin  
Standing there with nothing on  
She gonna teach me how to swim I said ooh girl  
Shock me like an electric eel  
Baby girl  
Turn me on with your electric feel  
I said ooh girl  
Shock me like an electric eel  
Baby girl  
Turn me on with your electric feel All along the eastern shore  
Put your circuits in the sea  
This is what the world is for  
Making electricity  
You can feel it in your mind  
Oh you can do it all the time  
Plug it in, change the world  
You are my electric girl I said ooh girl  
Shock me like an electric eel  
Baby girl  
Turn me on with your electric feel  
I said ooh girl  
Shock me like an electric eel  
Baby girl  
Turn me on with your electric feel
