

# Blackout

## Affiance

How can you hear what you need to hear  
When you have never been told you're wrong?  
You see the world in black and white  
Blind to all color YOU ARE LOST INSIDE YOUR MIND  
THE WALLS YOU BUILD TO CONFINE MUST RECONCILE  
BLACKOUT. AWAKEN IN THE TWENTY FIRST CENTURY  
I'M CAUGHT BETWEEN WHO THEY EXPECT ME TO BE  
THE HEART OF AN ANIMAL OR THE MIND OF A MACHINE How can you see what you want to see  
If your eyes haven't been opened at all  
I don't have the answers  
I just know it's not as simple as right or wrong YOU ARE LOST INSIDE YOUR MIND  
THE WALLS YOU BUILD TO CONFINE MUST RECONCILE  
BLACKOUT. AWAKEN IN THE TWENTY FIRST CENTURY  
I'M CAUGHT BETWEEN WHO THEY EXPECT ME TO BE  
THE HEART OF AN ANIMAL OR THE MIND OF A MACHINE No room for maybe  
Afraid of the unknown  
So we rank and file  
To rationalize our existence Blackout  
Awaken
