

# Done for You

## Black Veil Brides

The best things in life come with a price  
The star that burns so bright faded the fastest  
You'll always feel it's right ... even when we end the fight  
Welcome home, home tonight

Singing oh oh welcome home tonight  
Oh tonight

Words they don't know how to make amends  
And all they do is push you to the edge  
But it's not wasted  
It's all Done for You x4
