

You Will Know

Angie Stone

Lonely one of young so broken hearted
Traveling down the rigid road of life
Using pharmaceutical extractions
To find their paradise Finds the high but comes down feeling lower
Gets down on their knees and starts to pray
Looking up to Heaven for the answer
To hear a voice that stays You will know, troubled heart you'll know
Problems have solutions, trust and I will show
You will know, troubled heart you'll know
Every life has reasons for I made it so Single parent trying to raise their children
But they would much rather not alone
Reaches out to find that special someone
To make their house a home Finds someone, but no one is the right one
Gets down on their knees and starts to pray
Looking up to Heaven for the answer
They hear a voice that says You will know, lonely heart you'll know
Problems have solutions, trust and I will show
You will know, lonely heart you'll know
Every life has reasons for I made it so Oh you will know, troubled heart you'll know
Problems have solutions, trust and I will show
You will know, troubled heart you'll know
Every life has reasons for I made it so You'll know, lonely heart you'll know
Problems have solutions, trust and I will show
You will know, lonely heart you'll know
Every life has reasons for I made it so
You'll know
