

Begging

Anton Ewald

Girl I can feel a tremor
through my body
Inside my heart is speeding
beating faster
Im running out of time
I see youre leaving
Ahou what a feeling
Ahou what a feeling.I stumble fall and
nearly start a fire
I act a fool I merely
barely make it
I take your hand and now
my bodys shaking
Ahou what a feeling
AhouBaby dont go
Oh.o.o.o.o.oh
Youve got me
Begging, begging
Got me begging for more
I wont let go
Oh.o.o.o.o.oh
Youve got me
Begging, begging
Got me begging for more.Ahou what a feeling
Ahou what a feeling
Youve got me
Begging baby
Got me begging for more
Ahou what a feeling
Ahou what a feeling
Youve got me
Begging baby
Got me begging for more.Im on my knees and
ready for your answer
Youve got me falling
calling out your
name
I cant control the way
My bodys moving

Ahou what a feeling
Ahou what a feeling Baby dont go
Oh.o.o.o.o.oh
Youve got me
Begging, begging
Got me begging for more
I wont let go
Oh.o.o.o.o.oh
Youve got me
Begging, begging
Got me begging for more.Ahou what a feeling
Ahou what a feeling
Youve got me
Begging baby
Got me begging for more
Ahou what a feeling
Ahou what a feeling
Youve got me
Begging baby
Got me begging for more.No doubt about it
Youre the one for me
No doubt about it
Breaking up is crazy
I feel my body wants
Your body now
Im gonna make you stay
Somehow Yeah, Yea
Yea
Ahou what a feeling
Ahou what a feeling
Ahou..u..u..u..u..u
Lets go Baby dont go
Oh.o.o.o.o.oh
Youve got me
Begging, begging
Got me begging for more
I wont let go
Oh.o.o.o.o.oh
Youve got me
Begging, begging
Got me begging for more.Ahou what a feeling
Ahou what a feeling
Youve got me
Begging baby
Got me begging for more

Ahou what a feeling
Ahou what a feeling
Youve got me
Begging baby
Got me begging for more
Begging
