

Future Love Paradise

Seal

But if only you could see them
You would know from their faces
There were kings and queens
Followed by princes and princesses There were future power people
Throwin' love to the loveless
Shining a light 'cause they wanted it seen Well, there were cries of why
Followed by cries of why not
Can I reach out for you
If that feels good to me? And the riders will not stop us
'Cause the only love they'll find is paradise
No, the riders will not stop us
'Cause the only love they'll find is paradise Mmm, don't you know that racism
In among future kings can only lead to no good?
And besides your sons and daughters
Already know how that feels One day all the queens will gather 'round
Spreading love and unity so we can be found
Well, then all the writers say it's all to do with
Drugs for the gentlemen When your love
Inject me with a love, all right And the riders will not stop us
'Cause the only drug they'll find is paradise
No, the riders will not stop us
'Cause the only love they'll find is paradise
No, the riders will not stop us
The only love they'll find is paradise Love paradise One in and out is gonna make you feel good
Coming at you like a hurricane would
Stay close to me I'll always be by your side
Save it, baby, you know that it's all right You remind me of a girl I knew
Born so beautiful once aside her
You make me feel like I need your love, love, love
Want to fill me with your love
Fix me with a love, all right And the riders will not stop us
'Cause the only love they'll find is paradise
No the riders will not stop us
'Cause the only drug they'll find is paradise
The riders will not stop us
'Cause the only love they'll find is paradise Paradise If you change your mind, I'll do anything
Just to make the world peaceful
Just to make life wonderful
I will drown all your sorrows In a future love paradise

Future love paradise
Future love paradise
