

Band of Gold

Belinda Carlisle

Now that you've gone
All that's left is a band of gold
All that's left are the dreams I hold
Band of gold and the memories of what love could be
If you were still here with me You took me from the shelter of my mother
I have never known or loved another
We kissed after taking vows
That night on our honeymoon
We stayed in separate rooms I wait in the darkness of my lonely room
Filled with sadness filled with gloom
Hoping soon that you'll walk back through that door
And love me like you tried before Now that you've gone
All that's left is a band of gold
All that's left are the dreams I hold
Band of gold and memories of what love could be
If you were still here with me Memories love could be
You were here with me Don't you know that I wait
In the darkness of my lonely room
Filled with sadness, filled with gloom
Hoping soon that you'll walk back through that door
And love me like you tried before Since you've been gone
All that's left is a band of gold
All that's left are the dreams I hold
Band of gold and the memories of what love could be
If you were still here with me I wait in the darkness of my lonely room
Filled with sadness, filled with gloom
Hoping soon that you'll walk back through that door
And love me like you tried before
