

Dancing In the Dark

Barry Manilow

Dancing in the dark
Till the tune ends we're dancing in the dark
And it soon ends we're waltzing in the wonder of why we're here
Time hurries by, we're here and gone Looking for the light
Of a new love to brighten up the night
I have you, love and we can face the music together
Dancing in the dark What though love is old, what though song is old
Through them we can be young
Hear this heart of mine, make your's part of mine
Dear one, tell me that we're one We're waltzing in the wonder of why we're here
Time hurries by, we're here and gone
We're looking for the light of a new love to brighten up the night
I have you, love and we can face the music together
