

High Five

Dragonette

You got a job, make money money money mula
Number one, one, you deserve a high five
You put your pants on, got some hair done
Talk a dirty dancing, high fiveUuh uuuh uuuh
Hey, high five
Uuh uuuh uuuh
Hey, high fiveYou made a friend, got a party in the west town
Slept on a bench, yeah you deserve a high five
You feeling fresh poppin' all these breathmints
Get a little tongue twist, high five
La-la-la-la-la-la-la
La-la-la-la-la-la-laYou help, work down, you've been having hard time
Macho macho man, high five
You got a job, make many many mula, many mula, high five
You put your pants on, got some hair done
Talk a dirty dancing, high five
You got a job, job
You made a friend, friend
You got laid, at a party in the west townLa-la-la-la-la-la-la
La-la-la-la-la-la-la
I've been talking a lot,
and I know you must be thinking that I'm calling the shots
I can miss all, I'm almost drinking connecting the dots
Connecting the dots, and poppin' the pops
I've been talking a lot,
and I know you must be thinking that I'm calling the shots
I can miss all, I'm almost drinking connecting the dots
Connecting the dots, and poppin' the pops
