

Black Diamonds & Blue Pearls (interlude)

Angie Stone

We set up a jade of color
For the darker shade of skin
Set us up to never win
But we stifling one another, slamming doors
Pushin' and shovin' each other
Ooh, ooh , ooh
Black diamonds and blue pearls
Small bits of sand, made by the hand
That bruised the world
Oh oh oh, black diamonds and blue pearls
Molded of clay, taught just to pray
And to be proud of
Black diamonds and blue pearls
Small bits of sand, made by the hand
That bruised the world
Yes we are, black diamonds and blue pearls
Molded of clay, taught just to pray
And to be proud of, yeah
Black diamonds and blue pearls
Small bits of sand, made by the hand
That bruised the world
Yes we are, black diamonds and blue pearls
