Everyday

James Taylor

Everyday it's getting closer
Going faster than a roller coaster
A love like yours would surely come my wayEveryday seems a little faster
All my friends they say go on up and ask her
A love like yours would surely come my wayEveryday it seems a little stronger
Everyday it lasts a little longer
Come what may, do you ever long for true love from me?Everyday seems a little closer
Going faster than a roller coaster
A love like yours would surely come my wayA love like yours would surely come my way
Everyday
