

# Save Me

## Queen

It started off so well  
They said we made a perfect pair  
I clothed myself in your glory and your love  
How I loved you, how I cried Years of care and loyalty  
Were nothing but a sham it seems  
Years belie, we lived the lie  
"I love you 'til I die" Save me, save me, save me  
I can't face this life alone  
Save me, save me, save me  
I'm naked and I'm far from home The slate will soon be clean  
I'll erase the memories  
To start again with somebody new  
Was it all wasted, all that love ? I hang my head and I advertise  
A soul for sale or rent  
I have no heart, I'm cold inside  
I have no real intent Save me, save me, save me  
I can't face this life alone  
Save me, save me  
Oh, I'm naked and I'm far from home Each night I cry  
And still believe the lie  
"I love you until I die" Save me, save me, save me, oh  
Just save me, save me, oh, save  
Don't let me face my life alone  
Save me, save me  
Oh, I'm naked and I'm far from home
